Now for some outdoor fun...

Try one of these activities each day to get you away from the computer screen or tablet.

- Practise writing words outside with chalk. Can you colour the sounds correctly. If you don't have chalk just use water and a brush.
- If you have a garden make your tricky words using, daisies, pebbles, blossom ...
- If you have a garden, or you can do it inside, play **spelling tennis** or **roll the ball** to help you spell your words. (You may have to show your adult how to play the game?)

A thin, grey, curved line arches over the letters, starting from the top of the first 'e' and ending at the top of the second 'e'.
