

Trinity Primary School Parent Council

Virtual Meeting

Tuesday April 28 2020

Zoom

Questions from Parents

School at Home Suggestions

1. I wonder if there is going to be anything in place for families that do not have access to laptops/printers?
2. Are copies of worksheets being made available for families you haven't heard from?
3. Would teachers attempt a very short zoom or teams class so kids can see their teacher?
4. Is there any way to use technology to connect the children with their classmates?
Maybe a study buddy/learning pairs or similar?
5. The children in the hub school can't access the internet so can't join anything in Teams. Could this be looked at please?
6. Is there any chance of the work being posted the day before it is due (even if this is in the evening) rather than first thing in the morning?

Transition into P1

7. What are the arrangements for children coming into P1 in August?
8. When/how will P7 buddies be allocated?

Transition out of P7

9. What are the arrangements for children leaving P7 for High School?

Class Organisation (other years)

10. How are you planning to organise classes and teachers for next year?
11. Will the pupils get to 'meet' their new teacher before the summer?

Community and Fundraising

- 12. What can we do to keep the sense of community going? Can parents help you here?
- 13. I was wondering/hoping that the May Fair could become the August or September Fair instead. Is this possible?

End of Lockdown

- 14. How quickly do you think the school could be back up and running again? I am wondering about staff being on furlough/with underlying health conditions.

Miscellaneous

- 15. How will the colour of the P7 sweatshirt be decided?
