## 2. Fund requests

Have bought some furniture. Will let us know if need to ask for money for furniture, will depend on school budget. School are waiting on getting spaces back, before buying more furniture or reading nooks etc. So that's currently on hold. Will advise as soon as possible.

Need more headphones, ipens.

HG asked about tennis rackets and other sports equipment replacement. JS said she would speak with school staff and see what's needed.

## 3. TPSA clubs - football venue still has a size issue.

Other clubs discussed.

Still little scope for using school after hours as often the janitors don't know there's a let and FM not on site.

JS suggested contacting Marianne at Active Schools about Victoria and other options for football location.

Agreed to allow request for a one session trial before full payment but would ask people to pay for this, if they decide not to attend.

Agreed that people could pay in installments, if requested.
