Present:

Jacqueline Scott, Tracy Otway, Anne Clouston, Tracy Hammond-Scodellaro, Fiona King, Emma Masson, Fran Wallace, Catriona King, Ella Lees, Lindsay Harrison

Apologies - Heather Gray

AGENDA TOPICS:

1. Welcome. Particularly to the new faces - Catriona, Ella & Lindsay.
2. Fund requests
 - The front playground/mound is likely to need a fair amount spending to upgrade it up to meet the new safety standards plus general maintenance. It's a key part of school which all children benefit from.
 - The amount is TBC but could be hefty and we should reserve TPSA funds for this. The new bark alone was £6k - to be paid from school funds. School are also in conversation with the building company for repairs following the building work.
 - Other schools in Edinburgh, with similar playgrounds, are involved in the overall conversation & upcoming meeting.
3. TPSA Clubs:
 - Football was rebooked at Heart of Newhaven after unsuccessfully trying to book Victoria primary.
 - Anne asked about a music club - in particular guitar. In theory this would be fine if we can find a tutor but space to hold it might be an issue as teachers use classrooms after hours. Perhaps the club can move around a rota of middle school classrooms. Anne to investigate possible tutors & costs etc.
4. Thank you to Fiona for pulling together the great newsletter. A request from Fiona for more images (not featuring children) to replace the stock images. Hoping to send the final version out this week.
5. Movie Night
 - Minions - The Rise of Gru via Clickview. U rated. 1 hour 28 mins.
 - Doors 6:15pm for movie at 6:30pm. No interval.
 - JS - to ask after-school club if we can set up from 5pm/5:15pm?
 - 180 tickets @ £5 each (normally £3)

- Anne is investigating Citizen Ticket or similar. If not, Fran is happy to sell tickets & Anne will create them.
- No snack stall following 2 children being sick at the last movie night.
- Mystery bottle in a box fundraiser. £5 per ticket. The academy PSA said they raised £100 profit on this at their last event. Anne to arrange.
- Stalls:

Bar - Emma + ?

Non-alc bar - non-alc lager + nicer juice cans eg, San Pellegrino. BYOB not allowed under rules.

Hot dogs - Tracy O. Last movie night we did 120.

Snacks - no snack stall but Tracy S will (wo)man the door. Snack bag in exchange for ticket (if physical tickets). Higher ticket cost includes a snack bag (JS - pop corn not allowed). Anne to arrange. Juice box, crisps + couple of sweeties. Crisp donation?

Hot food - Heather + ? + ?

1x large chicken thai green curry - Fran

1x meat chilli - Heather

1x meat chilli - Catriona

1x veg curry - Chris (Tracy O's friend) or Tracy will do whichever one Chris isn't doing

1x veg chilli - Chris (Tracy O's friend) or Tracy

Heather to buy the naans & chilli sides.

Need people to cook rice - Emma has offered and Tracy O if she can borrow a rice cooker.

- JS - to ask Pablo when he's back if we can access cleaning supplies and dry sick cleaner.
 - Risk assessment - parents reminded children are under their charge. Stay inside the building. The playground is prohibited.
6. AOB - Emma thinks overall the year will be down by approx £2k, due to the new rules on alcohol. Might need to think of new fundraising types that don't involve an event/bar.
Ella - could book an alternative venue if want an event with alcohol, for example, Towerbank school in Portobello booked the Town Hall for a parent ceilidh with a bar.
