Warm up: from 11:20am

Start time: 11:30am, Saturday 10th May 2025

Where: Victoria Park

THE COURSE

The course is 2km long and is run on tarmac paths around the park. Runners complete x2 laps. Marshals will be located around the course to guide runners.

RULES & GUIDELINES

Slower runners are encouraged to start towards the back of the group.

All children have the option to run independently or with an adult. Please use your judgement based on your child. This event is held out of school hours and it is the parent/carer who ultimately has responsibility for their children.

Please bring a filled water bottle and stay hydrated. Participants should wear trainers.

Please remember that the Fun Run uses shared paths. **Please give way to other park users.** Watch out for cyclists, other participants, pedestrians, children, dogs, vehicles, bollards, posts, bins and other obstacles around the course.

Please slow down at corners and take care on uneven surfaces – some areas of the tarmac are uneven or have tree roots. Some sections of the course may accumulate mud, leaves and puddles after rain and become slippery.

The Fun Run is a running, jogging or walking event, and the use of children's scooters, balance bikes, trikes or cycles is prohibited.

Dogs are not permitted to accompany walkers, joggers or runners who are participating in the Fun Run. Spectators should keep clear of participants on the course and keep control of any children and dogs.

To the best of our knowledge the course is 2km long, however it has not been accurately measured with a professional measuring wheel. Please note that this is not a timed event.

Participants enter this Fun Run at their own risk. Running is a physically active sport. If in doubt, you should always seek advice from your GP before taking up strenuous physical exercise.

Whilst the TPSA fully accepts its duty of care to minimise risk of injury and harm to all participants whilst taking part in the Fun Run, Trinity Primary School, Trinity Parent Staff Association and its volunteers do not accept responsibility for injury, loss or damage sustained by a participant.
