

# WELCOME TO LEARNING @ TRINITY

Thursday 28<sup>th</sup> Aug 2025

# OPPORTUNITY TO

- Meet the teachers
- See our learning spaces
- Find out about what we will be learning this year across the four contexts for learning
- Find out how you can help with homelearning
- Know how we will communicate this year

# P3 TEAM

Ms McKinnon

Miss Sherazee

Miss Spence

Mrs McKelvie

Mrs Kulcu

### **Discrete learning**

Numeracy and Maths  
Literacy, Word Boost  
P.E.

Science – Magnets,  
Human Body, Materials,  
Sound, Plants

French

RSHP (Health and Well-  
being)

House Events

Red Nose Day

Sports Day

Christmas Activities

Interdisciplinary Learning

MADD About Film (Dr  
Dolittle)

Enterprise (Guide Dogs)  
South America (whole  
school)

Fantastically Great Women

RME – Special Buildings

# Trinity Community Cluster every day in school counts

to learn and  
achieve

to  
experience  
new things

to make  
friends

Sometimes things happen, in or out of school, that make attending difficult. Please get in touch with your child's school so that support can be offered because **every day counts!**

# HOMELEARNING IN P3

## From P3 upwards : Home Learning Walls

- Pupils are provided with a 'wall' of bricks in their homelearning jotter. The wall is also available on the P3 tab on the school website. Each brick has a learning activity allocated to it. Pupils are given a new sheet of activities each term and are expected to carry out tasks each week.
- From P3 all bricks must be completed, although pupils have **personalisation & choice** as to when and how they carry out the tasks. It is hoped that the tasks planned allow for **challenge & enjoyment** and are **relevant** to the pupils' learning. Some tasks provide opportunity to **deepen** learning that has already taken place in school. The different tasks allow pupils to consider the best way to present their work – this may mean drawing a diagram, making a model, preparing a talk, writing a letter, visiting a museum – pupils can **MAKE, SAY, WRITE or DO!**
- All pupils are expected to be reading at home on a weekly basis – either a text set by the class teacher or personal choice. From P3 upwards pupils keep a record of what they have read. The children will also have spelling words which are shared on the P3 tab on the school website.
- Pupils have the option to display their homelearning in class. This provides an opportunity for peer and self assessment and for pupils to learn and get ideas from each other.

## HOW CAN YOU HELP?

- Help your child with their number bonds (e.g. adding and subtracting within 10, 20, 50 and 100)
- Help your child with their number knowledge to 1000 (e.g. counting on and back, answer questions in a random order)
- Help your child with their phonic knowledge (e.g. oo, oa, ow, ay etc)
- Enjoy a book/magazine/comic/recipe with your child
- Play games at home e.g. snakes and ladders, dominoes, card games etc
- Work on the Tricky Word list. Can they read and spell the words?
- Look at the P3 Literacy Benchmarks which are on the school website. This has useful documents to help you support your child at home, such as the Letter Formation guide, spelling activities and the Tricky Words.

## HOW WILL YOU KNOW WHAT YOUR CHILD IS LEARNING?

- School website (weekly plan)
- Take time to chat with them

# SHARING LEARNING AND PROGRESS

- Learning@Trinity : Meet the Teacher : Thurs 28th August
- Parents' evening / afternoon – 2<sup>nd</sup> and 3<sup>rd</sup> Oct
- Performance opportunity – Tin Forest– Tues 2<sup>nd</sup> and Wed 3<sup>rd</sup> December
- House coffee mornings and learning chats – Craighall and Argyll 16<sup>th</sup> Jan, Melville and Royston 30<sup>th</sup> Jan 2025
- Parents' evening and afternoon – 12<sup>th</sup> and 13<sup>th</sup> March
- Open Evening – Thurs 4<sup>th</sup> June
- Pupil profiles (Term 2 and Term 4)
- Sports Day – Fri 15<sup>th</sup> May 2025
