

Primary 4 Homelearning Wall

Term 3

Practise lots of adding and taking away sums. This can be mentally (in head) or written down

Read your school reading book/read for enjoyment at home

Practise reading AND writing your Tricky Words - as far as you can. Can you write them into interesting sentences?

Complete 1 bubble per week. You can choose to Make, Say, Write or Do.

Life Skills

Random Acts of Kindness Day 17th February 2026

At Trinity we strive to be kind. Choose random acts of kindness to do and record them in your jotter. Can you do more than one in one day?

Big Bird Watch

Count and identify any birds you see in your garden/balcony.

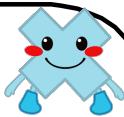

Free Writing

Use the Story Dice to write a creative story.

<https://davebirss.com/storydice/>

Times Tables

Write out the times tables we have been practising in class (2, 3, 4, 5, and 8) as well as any others you are confident with! Practise them at home.

Fractions

Show your understanding of fractions so far. You could make a poster, power point or keynote - MAKE, SAY, WRITE, DO

Our learning so far

- I can calculate how a single item can be shared equally
- I can add fractions to a numberline
- I can find a fraction of an amount
- I can show simple equivalent fractions

National Hobby Month!

January is national hobby month. Create a presentation on your favourite hobby. You could do a poster, powerpoint, bring in props, etc.

Scots Poems

Choose a Scots poem to recite to the class.

Some Scots poets you could choose:

- J.K. Annand
- Robert Burns
