## **Clubs**

Two new clubs have been proposed.

### Chess club

- Have been approached by a company called Check Mates
- £9 a class considered too expensive compared to other clubs.
- Generally agreed that it would be popular
- JS said that school could provide the space without too much trouble.
- Aimi said that she would be willing to help organise and run a club as she has some experience.
- Sarah suggested any club should be divided by age group to make any competition fairer.
- To send out an email looking for volunteers to join a rota.
