

# Home Learning Wall April - June

## Weekly Tasks

### Numeracy

Times Tables Mastermind

Learn a times table and be ready to be tested by your classmates! How many can you get right in 2 minutes?

### Reading Books

Read the school reading book every day.

### Spelling

Look at the weekly spelling words. Have fun learning to spell the words on your list

### Handwriting

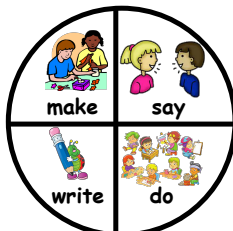

Practice your handwriting joins at home. We will learn a new one each week.

Complete 1 box per week, choose if you want to make, say, write or do to show your learning

### Fitness

Imagine you are organising Trinity's Sports Day. Our whole school topic is South America. Can you invent a race or challenge inspired by South America? (eg. run up the Andes, move like a samba dancer, etc.)

### Presentation

Make a presentation on a topic you are interested in. If you have access to KeyNote or PowerPoint, you can make it digitally! Email to [admin@trinity-pri.edin.sch.uk](mailto:admin@trinity-pri.edin.sch.uk)

### Maths Money

Calculate the cost of two items when you are in the shops. Can you work out the correct change?

### Own Choice

What would you like to learn?

For example:-

- A phrase in a new language
- Bake a new recipe
- Learn a new move on your skate board

We are looking forward to hearing about what you have chosen to learn.

### Writing

We are 'travelling' as a school to South America. Can you make a postcard from another location that you have been?

You will need to have a picture of something you saw there and tell us something you did in the writing.

### STEAM

Make a structure of a landmark in South America.

### Beach Trip

As we will be travelling to Aberdour for our beach trip, create a piece of beach themed art, eg. collage, paint, sketching, etc!

Use your skill of creativity!

### South American Wildlife

Research a South American animal of your choice. Share your findings in a way you would like to - remember Make, Say, Write, Do
