Parent offering to paint murals. Co - produce with p7. Parent council keen too but needs funds. She is trying to get grants too but also looking for funding. In terms of using a parent who gets paid there is precedent.
AC - sounds like a good use of funds. How much might she need and what is the timescale.
This school year (spring/summer) FK will send the proposal.
Anything we can contribute would be good.

Suggested other avenue, Mural at the allotments got external funding, check the plaque - Jen.
Aimi - yes would be a great look for school.
Georgia - match funding on crowd funding. Will look into it. Georgia will speak to Susie too as this is her field.

Bikeability training:
Zoe: cancelled due to weather. Has been postponed. Term 4 with kids.
